RIZAL ACADEMY CLASS OF '68

**Grand Reunion and Alumni Homecoming 4/11
Asingan, Pangasinan, Philippines**

Dear Classmates, Friends & Supporters of RA-Class '68:

Warmest greetings!

After two separate tries failed early this decade, we now take pride in finally announcing to all our batch-mates, close friends and supporters on the forthcoming *Grand Reunion & Alumni Homecoming* of our Class set to coincide with the Town Fiesta of our beloved Asingan comes April 2011. This time, we started planning a year ahead when the undersigned met April 2010 purposely to tackle the rather elusive dream for a reunion-homecoming of RA-Class '68.

On the main, the plan is three-fourths done as we await only the actual execution of the program activities right there and then at next year's "encounter". Finances [aka budget] come to the fore now that ongoing preparation chores are in full swing led by a five-man Organizing Committee/Secretariat aided by two non-alumni volunteers. We have formulated a packed 7-day program culminating in a Medical Mission on the penultimate day. On "parting day"—on the 7th—an election of officers for the Rizal Academy Class of '68 Alumni Association shall be held preceding "farewell sighs and sobs".

With optimism for fruitful cooperation and overall success, we therefore solicit your utmost help in the form of cash contributions of US \$500 each for alumni members abroad [but not limited to that amount for those who can well-afford or generous enough, or both!]. For classmates coming from euro-countries, we highly appreciate if you may dish out 500 euro each as counterpart! Friends and supporters in the Philippines and overseas are likewise sought financial assistance at any amount we can possibly afford. Rest assured that we shall exercise restraint and transparency in budget disposition, prompt and proper accounting and reporting for the consumption of both contributors and donors. In this regard, we have opened a bank account in the name of Rizal Academy Class of '68 with three official signatories from the OC/Secretariat. Following are details for transaction purposes: Name of Bank_____; Account No._____; Location Address_____.

We look forward to embracing everyone with warmth and candor even as we reminisce the past and relish a grander future. Thank you very much. Good health, God bless!
